The Bluegrass Futurity Limited Breeders Stake Rules and Eligibility Requirements

The Bluegrass Futurity will be held each year in two divisions: weanlings shown in hand and two-year-olds shown in fine harness. All classes will be held at The UPHA Chapter 9 Kentucky Fall Classic Horse Show. All classes will be conducted under the current rules of USEF.

SOURCE OF FUNDS:

The stallion services donated by stallion owners are auctioned off, starting at one-half the current stallion service fee or a minimum bid of \$500.00. Sealed bids are accepted, but must be received prior to the auction. A check must accompany the sealed bid and will be returned if a live bid exceeds the sealed bid. Phone bids will be accepted. All stallion services must be paid in full at the auction. A NSF fee of \$50 will be charged on all returned checks.

Neither The Bluegrass Futurity nor its board of directors will intervene between the purchaser of the stallion service and the stallion owner. All contracts, arrangements and negotiations that may arise in the service of any mare designated for the Bluegrass Futurity will be strictly between the mare owner and the stallion owner or agent.

A refund, the amount paid for the purchased stallion service, will be made if the stallion dies before the designated mare has been bred, unless there is frozen semen available and that the use of frozen semen is satisfactory to the stud fee purchaser.

The Bluegrass Futurity will retain 10 percent of the auction proceeds for administrative purposes. Interest accumulated from the date of the auction until distribution, following the competition will become part of the purse.

CLASSES AND PRIZE MONEY:

All classes: To be held during The UPHA Chapter 9 Kentucky Fall Classic Horse Show in Lexington, KY.

Ring procedure for the weanling classes:

Each weanling will enter at a trot and show to the end of the ring

And trot back to the judges for lineup.

After individual judging, the weanlings will retire to the end of the ring.

If the number of weanlings warrants additional work, 10 to 12 entries will ask to remain in the ring and the balance of the class will be excused. The judges can work any number of entries they feel necessary.

The class will be tied to 8 places.

Prize money will be paid to 8 places with the weanling owner receiving 75% of the purse and the stallion owner receiving 25% of the purse.

6th, 7th, & 8th place prize money may change according to the amount of money raised at each stallion auction.

<u>Pay out schedule:</u>	1 st place 45%	5 th place 5%
	2 nd place 25%	6 th place
	3 rd place 15%	7 th place
	4 th place 10%	8 th place

NOMINATING THE STALLION:

Stallions may be nominated to The Bluegrass Futurity by donating one breeding fee to the annual auction.

Stallion owners that donate a breeding fee will also be eligible to nominate one weanling that is by their donated stallion for a \$1000.00 fee. They do not have to own the mare or weanling that is nominated.

NOMINATING THE MARE:

A copy of the mare's registration papers, a completed mare nomination form and a \$15.00 nomination fee must be postmarked by December 31, of the breeding year to be eligible for competition.

EMBRYO TRANSFERS:

An Embryo transfer foal will only be allowed to participate if it is the only embryo from the nominated mare

and The Bluegrass Futurity Stallion. You may do as many embryo transfers as allowed by ASHA, but only one transfer must result from the nominated mare bred to The Bluegrass Futurity Stallion. If more than one Bluegrass Futurity Stallion is purchased the same mare can be used for each breeding. (Exception: if the stallion owner buys his/her stud fee back and nominates a mare as the stud fee purchaser and stallion owner, then two embryo transfers maybe done from the same mare and Bluegrass Futurity Stallion. However, all nominations fees must be paid and maintain on both breedings, for the stallion owner and stud fee purchaser in order to be eligible.) Violators of the rule will forfeit all prize monies, nomination fees and stud fees.

Equipment for the horse: School bridles, double or full bridles with running martingales and German martingales are all permissible along with appropriate saddle for the division being judged. Any protective equipment (shin boots, knee boots, rundowns, saddle pads, etc) will be permitted. Blunt spurs are optional at the discretion of the instructor. No braiding of the horse; hoof blacking is optional. Training devices such as chains, stretchers, and blinkers are NOT allowed in the warm up ring or the show ring.

Class Divisions and Judging Criteria: There should be two main divisions – Equitation which is to be judged on basic seat, hands and form, along with effective control of the horse. Pleasure classes to be judged on showmanship, ring generalship and presentation of the horse to its best ability. Correct diagonals are not to be judged in the pleasure classes. Classes should be further divided into walk/trot and age divisions.

Rider Eligibility: A rider is no longer eligible for the academy division if he/she has shown, dressed in a riding suit in a regular horse show class; with the exception of competing in a 4-H Horse Show.
